Listen closely and check off each sentence or partial sentence as you hear it.

If you have any money invested in the stock market, you have taken a side in this bet,

I can pick a simple, boring investment that will beat any bunch of big hedge funds.

The money will go to a charity of the winner's choice.

Stock market goes down, fund goes down.

And over the long run, almost no one beats the market.

Even Ted Seides who bet on the hedge fund says he is likely to lose the bet.

Yeah, you had a chance to beat Warren Buffett.

What's your advice to ordinary people

but it is very, very hard to find them.

Almost all of the money he's leaving to his wife in his will is to be invested in an index fund.
