

# Questions and Answers

Have students listen to the Planet Money audio story and have them answer the questions in the left-most column using information from the story. Then have the students put at least one or two follow up questions in the right-most column.

	Answers	Follow up questions
How do economists measure the inflation rate?		
How did Planet Money measure the Kid Inflation rate?		
How does the kid inflation rate compare to the tooth inflation rate?		
What is income elasticity of demand? How does it apply to the tooth fairy?
